

Preschool – What to Bring

Nut Free

We are **always** a **Nut Free** program; however, we do have children attending our program who have severe allergy to nuts. We just wanted to remind you that we cannot have any nut products in the facility. Thank you for your cooperation and we look forward to seeing you and your children at Preschool.

What to Bring **EVERYDAY**

In order to ensure your child's full participation in the variety of activities planned, it is helpful to send the following items to Preschool each day as well as making sure that your child wears washable, comfortable clothing and shoes (sandals are a better choice than flip flops) that will allow for active play in all types of weather:

- A comfortable pair of shoes for active play
- Appropriate clothing for indoor/outdoor play
- **An extra change of clothing**
- A healthy snack
- A Water Bottle

Reminder: Please put your child's name on **everything** he or she brings to the program.
